**Subject:** FOIA requests - USG Interiors

Good afternoon Matthew,

I hope this email finds you well.

I wanted to give you an update on the two FOIA requests you submitted on behalf of your client USG Interiors, Inc.

- FOIA request **EPA-R5-2016-002835** (Redwing plant): the review is nearly complete. Some hurdles came up when going through the correspondence, but I am confident we should be able to close this FOIA sometime next week.  
Thus, the new estimated date of completion is **March 17, 2017** for EPA's response to your FOIA request EPA-R5-2016-002835.
- FOIA request **EPA-R5-2016-006203** (Walworth plant): we are still going through some emails. We should be able to meet the **March 24, 2017** deadline, but I will keep you informed on our progress.

Changing your request may speed up processing, including exclusions of exempt or confidential material, and a narrowing of scope.

In the meantime, if you have any questions regarding this extension or would like to discuss your request please contact me by telephone at (312) 886-3611, or reply to this message. You may also address any questions or concerns by contacting the Region 5 FOIA office at (312) 886-6686 or EPA's FOIA Public Liaison at [hq.foia@epa.gov](mailto:hq.foia@epa.gov) or (202) 566-1667, or from the Office of Government Information Services (OGIS). You may contact OGIS in any of the following ways: by mail, Office of Government Information Services, National Archives and Records Administration, Room 2510, 8610 Adelphi Road, College Park, MD 20740-6001; email, [ogis@nara.gov](mailto:ogis@nara.gov); telephone, (301) 837-1996 or (877) 684-6448; or fax, (301) 837-0348.

EPA appreciates your cooperation, and will continue to process your FOIA requests as expeditiously as possible.

Sincerely,

Sarah J. Stillman
